RE: Wei Fang Li CHAREST

Date of Birth: April 11, 1972

Dear Mrs. Wei Fang Li Charest:

Thank you for your scanned documentation provided to apply for a Virginia photo identification (ID) card, learner's permit, or driver's license. I appreciate the opportunity to respond.

We have reviewed the documents you submitted and have determined that they are sufficient for you to apply. Although your name is displayed differently on your employment authorization document, we have been able to determine that your full name is Wei Fang Li Charest and will therefore, use that name in our records. Within thirty days of this letter, you will need to visit the Woodbridge Customer Service Center (CSC) at 31 Caton Hill Road, Woodbridge, VA 22192-4116 and present the following documents:

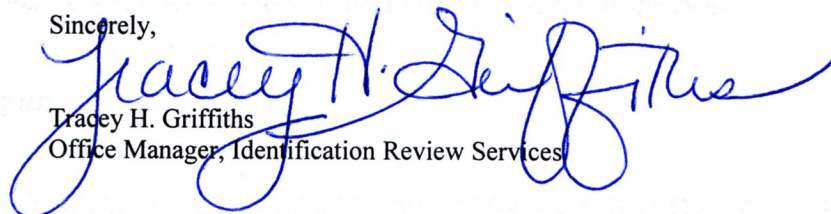

- This DMV identity / residency authorization letter
- Valid Employment Authorization Card
- Valid Mississippi Driver's License
- Social Security Card (Note: your name, date of birth and social security number has been verified with the Social Security Administration)
- Copy of Residential Apartment Lease-Term Sheet listing Weifang Charest as a resident (This information was verified by this office with the Stoney Ridge Apartments on 12/21/06.)

We have authorized the use of the documents listed above based on photocopies or faxed copies. A CSC representative will review your original documents. If there is reason to believe any of the documents have been altered, fraudulently obtained, or are fake, forged, counterfeit or otherwise non-genuine, illegitimate, or incomplete, they will not be accepted.

It is important to note that if a learner's permit is applied for, successful completion of the knowledge test and vision screening is required.

Should you have any additional questions or concerns regarding this matter, please feel free to speak with any of our Identification Review representatives. You may contact us by mail at the letterhead address (Attention Room 301), via e-mail at IDS@dmv.virginia.gov or by telephone at (804) 367-0064.

Sincerely,
